

Ayesha Rai

PARTNER

Ayesha is a corporate finance lawyer with more than 15 years of experience. She regularly advises commercial airlines, scheduled and non-scheduled operators, lessors, financiers, owners, maintenance, and repair organizations. Her expertise spans various facets of aviation law, encompassing aircraft financing, sale-purchase transactions, aircraft/helicopter/engine leasing (operating and financial), technical & commercial contracts, etc. She also advises clients on various regulatory matters affecting the aviation industry in India. She has been recognized by the likes of Chambers & Partners and Legal 500 for her expertise.

In addition to her specialization in aviation, Ayesha advises on domestic and cross-border mergers & acquisitions and corporate commercial matters, including foreign exchange regulations, corporate restructuring, investments, joint ventures, leasing and financing arrangements, family trust documentation, and corporate governance. Prior to joining DMD Advocates, Ayesha has worked with Lumiere Law Partners and Desai & Diwanji.
